CITY LOANS TOOLS FOR COMMUNITY VOLUNTEER PROJECTS

GLENDALE, Ariz. – Are you looking to improve your neighborhood but are short on equipment or cash? Glendale's Community Volunteer Program can help by making tools available from our "Tool Shed." Registered neighborhoods and volunteer groups can check out tools for a particular project they're coordinating on their own, such as clean-up, landscaping or painting.

Expert advice and project consulting may be available, as well. The group will be responsible for returning all tools in the condition they were checked out. Tools are available on a first-come, first-served basis. In addition, a limited amount of funding is available to cover items such as dumpsters, equipment rental or trash removal for projects that qualify.

The following equipment available from the Tool Shed includes:

- Painting supplies
- Lawnmowers
- Weed whackers
- Wheelbarrows
- Trash pickers and bags
- Rakes
- Shovels
- Pruning Shears

For more information, call Neighborhood Services Coordinator Angie Wilkie in the Neighborhood Partnership Office at 623-930-2915.
